

KULINE will be upgraded !

8/20 Mon.
Renewal

We hope you will enjoy the new, upgraded KULINE !!

※ <http://kuline.kulib.kyoto-u.ac.jp/> ※ From 8/20 available

New Functions

- * **By just choosing tab**, you can search not only books, but also rare books and articles.
- * **The refine search** will be improved. You can find the materials much faster by refining results by publication date, subject, holding library, and so on.
- * **Books images, contents and outlines** will be displayed so that you can gain much more information beforehand.
- * **MyKULINE** will be much more convenient.

The new KULINE will have many other features.
Further information will be updated soon.

Important News

Library Network Service will be not available while the system update.

- * **Services not available :**
KULINE, MyKULINE, Library Online Services, Digital Library (Rare Materials Exhibition)
- * **Closed period : 8/16 10 p.m. – 8/20 9 a.m.**
※E-journals, databases and library website don't stop.

Please ensure to store the information saved in KULINE Service you have registered before until 8/15 as the new KULINE will not take it over.
