### [Principles]

- To use this service, both the holding library and a library to which you would like to return the materials are listed under "Participating Libraries" (see left table).
- The participating libraries may change in the future.
- It is possible to return books which you checked out in another campus to any libraries, listed left located in another campus.

### [Attention]

- This service is available between **a1↔a4**, **a1↔a5**, **a2↔a5**, **a5-1↔a5-2** in Yoshida Campus (A) though they are located within same campus.
- Some materials may not be used in this service.
- Please return materials to the library counter in person.
- It is not possible to return books which you borrowed through the "Inter-campus Loan service".

### [Note]

This service is available only to members of Kyoto University.

Please feel free to ask a librarian for details.
